

# VISION ZERO

Zero fatalities. Zero excuses.

FOR IMMEDIATE RELEASE

## *Click It or Ticket* Enforcement Period Ramps up ahead of the 4<sup>th</sup> of July

*Williston, N.D.*- In an effort to save lives, law enforcement agencies across the state will have extra patrols from July 1 to August 12 for the *Click It or Ticket* campaign enforcing the state seat belt law.

Wearing your seat belt is the most effective way to protect yourself against serious injury or death when traveling in a vehicle. In 2017, every 7 days one unbelted vehicle occupant died in a motor vehicle crash in North Dakota.

“The *Click It or Ticket* enforcement campaign is designed to bring seat belt use to the front of your mind,” says Arnegard Police Chief Troy White Owl. “Your seat belt needs to be worn no matter what, as it keeps you safe inside your vehicle in the event of a motor vehicle crash.”

This effort is funded through federal grants administered by the North Dakota Department of Transportation.

Vision Zero is North Dakota’s traffic safety goal aimed at zero fatalities and serious injuries on North Dakota roads.

Families are invited to create memorials to honor those who have died in crashes on North Dakota roads at [VisionZero.ND.gov](http://VisionZero.ND.gov).
