Zero fatalities. Zero excuses.

Click It or Ticket Enforcement Period Begins

Devils Lake, N.D.- Law enforcement across the state will have extra patrols from November 1 through December 13 for the *Click It or Ticket* campaign enforcing the state seat belt law. Seat belts save lives and continue to be the single most effective way to prevent injury and death in a motor vehicle crash.

In 2017, one unbelted vehicle occupant died every seven days in North Dakota.

“Seat belts can save your life by keeping you safe inside your vehicle if you experience a motor vehicle crash,” says Pierce County Sheriff Joshua Siegler. “Since no one can predict when a crash will occur, take the safer bet and buckle up.”

This campaign is part of the Vision Zero strategy to eliminate motor vehicle crash fatalities and serious injuries on North Dakota roads.
